**NATIONAL ARCHIVES AND RECORD ADMINISTRATION
FREEDMEN'S BUREAU PRESERVATION PROJECT**

This National Archives microfilm publication is part of a multiyear project to microfilm the field office records of the Bureau of Refugees, Freedmen, and Abandoned Lands (Freedmen's Bureau). The project was made possible by the United States Congress through The Freedmen's Bureau Records Preservation Act of 2000 (Public Law 106-444). When completed, all of the field records for the States of Alabama, Arkansas, Delaware, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, Missouri, North Carolina, South Carolina, Tennessee, Texas, Virginia, and for the District of Columbia will be available on microfilm. For microfilm availability and description, view both the microfilm catalog *Black Studies: A Select Catalog of National Archives Microfilm Publications* and the National Archives microfilm locator on our web site at www.archives.gov.

INTRODUCTION

On the 133 rolls of this microfilm publication, M1904, are reproduced the records of the Kentucky headquarters for the Assistant Commissioner and his staff officers and the subordinate field offices of the Bureau of Refugees, Freedmen, and Abandoned Lands, 1865–1872. These records consist of bound volumes and unbound records, containing materials that include letters sent and received, monthly reports, registers of complaints, labor contracts, and other records relating to freedmen's claims and bounty payments. These records are part of the Records of the Bureau of Refugees, Freedmen, and Abandoned Lands, Record Group (RG) 105.

HISTORY AND ORGANIZATION

The Bureau of Refugees, Freedmen, and Abandoned Lands, also known as the Freedmen's Bureau, was established in the War Department by an act of Congress on March 3, 1865 (13 Stat. 507). The life of the Bureau was extended twice by acts of July 16, 1866 (14 Stat. 173), and July 6, 1868 (15 Stat. 83). The Bureau was responsible for the supervision and management of all matters relating to refugees and freedmen, and of lands abandoned or seized during the Civil War. In May 1865, President Andrew Johnson appointed Maj. Gen. Oliver Otis Howard as Commissioner of the Bureau, and Howard served in that position until June 30, 1872, when activities of the Bureau were terminated in accordance with an act of June 10, 1872 (17 Stat. 366). While a major part of the Bureau's early activities involved the supervision of abandoned and confiscated property, its mission was to provide relief and help freedmen become self-sufficient. Bureau officials issued rations and clothing, operated hospitals and refugee camps, and supervised labor contracts. In addition, the Bureau managed apprenticeship disputes and complaints, assisted benevolent societies in the establishment of schools, helped freedmen in legalizing marriages entered into during slavery, and provided transportation to refugees and freedmen who were attempting to reunite with their family or relocate to other parts of the country. The Bureau also helped black soldiers, sailors, and their heirs collect bounty claims, pensions, and back pay.

The act of March 3, 1865, authorized the appointment of Assistant Commissioners to aid the Commissioner in supervising the work of the Bureau in the former Confederate states, the border states, and the District of Columbia. While the work performed by Assistant Commissioners in each state was similar, the organizational structure of staff officers varied from state to state. At various times, the staff could consist of a superintendent of education, an assistant adjutant general, an assistant inspector general, a disbursing officer, a chief medical officer, a chief quartermaster, and a commissary of subsistence. Subordinate to these officers were the assistant superintendents, or subassistant commissioners as they later became known, who commanded the subdistricts.

The Assistant Commissioner corresponded extensively with both his superior in the

Washington Bureau headquarters and his subordinate officers in the subdistricts. Based upon reports submitted to him by the subassistant commissioners and other subordinate staff officers, he prepared reports that he sent to the Commissioner concerning Bureau activities in areas under his jurisdiction. The Assistant Commissioner also received letters from freedmen, local white citizens, state officials, and other non-Bureau personnel. These letters varied in nature from complaints to applications for jobs in the Bureau. Because the assistant adjutant general handled much of the mail for the Assistant Commissioner's office, it was often addressed to him instead of to the Assistant Commissioner.

In a circular issued by Commissioner Howard in July 1865, the Assistant Commissioners were instructed to designate one officer in each state to serve as "general Superintendents of Schools." These officials were to "take cognizance of all that is being done to educate refugees and freedmen, secure proper protection to schools and teachers, promote method and efficiency, correspond with the benevolent agencies which are supplying his field, and aid the Assistant Commissioner in making his required reports." In October 1865, a degree of centralized control was established over Bureau educational activities in the states when Rev. John W. Alvord was appointed Inspector of Finances and Schools. In January 1867, Alvord was divested of his financial responsibilities, and he was appointed General Superintendent of Education.

An act of Congress, approved July 25, 1868 (15 Stat. 193), ordered that the Commissioner of the Bureau "shall, on the first day of January next, cause the said bureau to be withdrawn from the several States within which said bureau has acted and its operation shall be discontinued." Consequently, in early 1869, with the exception of the superintendents of education and the claims agents, the Assistant Commissioners and their subordinate officers were withdrawn from the states.

For the next year and a half the Bureau continued to pursue its education work and to process claims. In the summer of 1870, the superintendents of education were withdrawn from the states, and the headquarters staff was greatly reduced. From that time until the Bureau was abolished by an act of Congress approved June 10, 1872 (17 Stat. 366), effective June 30, 1872, the Bureau's functions related almost exclusively to the disposition of claims. The Bureau's records and remaining functions were then transferred to the Freedmen's Branch in the office of the Adjutant General. The records of this branch are among the Bureau's files.

THE FREEDMEN'S BUREAU IN KENTUCKY

ORGANIZATION

From July 1865 until June 1866, Maj. Gen. C. B. Fisk served as Assistant Commissioner for both Kentucky and Tennessee. Fisk appointed Bvt. Brig. Gen. John Ely to serve as chief superintendent for the Bureau at Kentucky (from March to June 1866). Ely established his headquarters at Louisville, Kentucky, and divided

his operations into five subdistricts: Lexington, Louisville, Northwestern, Southern, and Central. Records relating to Kentucky created prior to Ely's tenure may be included among the files of the Assistant Commissioner for Tennessee.

In June 1866, Maj. Gen. Jeff C. Davis was appointed as the first Assistant Commissioner for Kentucky. Superintendents (or subassistant commissioners) employed under Davis were generally responsible for from 3 to 11 counties, and agents (civilian and military) from 1 to 3 counties. Agents received their orders directly from superintendents, and all superintendents were required to submit monthly reports of their activities to the Assistant Commissioner. Brig. Gen. Sidney Burbank succeeded Davis in March 1867 and was replaced by Maj. Benjamin Runkle, who served from January 1869 to May 1869 as Assistant Commissioner and superintendent of education. In August 1870, when superintendents of education were withdrawn from the states, Runkle served as claims agent for Kentucky until July 1871. H. H. Ray succeeded Runkle as claims agent, and served in this capacity until December 1871. P. J. Overley became the claims agent in January 1872 and remained in this position until the Bureau's operations in Kentucky were discontinued in April. The major subordinate field offices for the Bureau at Kentucky included those with headquarters at Bowling Green, Lebanon, Lexington, Louisville, and Paducah. For a list of known Kentucky subordinate field office personnel and their dates of service, see the Appendix.

ACTIVITIES

While the Freedmen's Bureau did not begin full operations in Kentucky until June 1866, its activities in the state generally resembled those conducted in other Southern states. The Bureau supervised labor contracts between planters and freedmen, administered justice, assisted freedmen in the establishment of schools, helped freedmen legalize marriages, and worked with black soldiers and their heirs in processing claims relating to military service.

The regulation of written labor agreements between planters and freedmen was a major concern of the Freedmen's Bureau. In a circular issued on July 24, 1865 (Circular Number 2), Assistant Commissioner Fisk told his subordinates that for both Kentucky and Tennessee freedmen must be free to choose their own employers and that wages were to be based on supply and demand rather than a fixed rate. Bureau officials were to negotiate and approve labor contracts and enforce violations by either party. Compulsory unpaid labor was strictly prohibited. In some areas of Kentucky, planters refused to enter into written agreements with freedmen, and freedmen themselves were reluctant to enter into annual agreements for fear of being reduced to slavery. However, with strong reservations, Bureau officers negotiated monthly agreements for them but encouraged freedmen to sign annual contracts that offered yearlong employment. Wages for monthly contracts ranged from \$8 to \$10 a month for adult male field hands, well below the state's average wage of \$15 a month for men. However by the summer of 1866, with the Bureau's insistence, adult laborers in the tobacco region of the state received \$25 per month and laborers in the farm belt areas earned \$12 per month. In some Kentucky counties, freedmen

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

received a third of the crops rather than wages. However, because of the shortage of laborers in the state, freedmen were able to demand higher wages, and thus over time the sharecropping system became less attractive.¹

The Bureau worked to protect the rights and legal status of freedmen, which, despite the ending of slavery by the 13th Amendment, were still endangered by the persistence of the old slave codes. On May 30, 1865, Commissioner Howard issued Circular Number 5, authorizing Assistant Commissioners to establish courts in states where the old codes existed and the right of blacks to testify against whites was prohibited. Gen. Fisk subsequently announced to the citizens of Kentucky that freedmen courts would operate in the state as long as freedmen weren't given the same rights as whites. By 1867, as a result of several Federal court rulings, Bureau courts ceased to operate in Kentucky. When state courts denied black testimony, the agency, under provisions of the Civil Rights Act of 1866, took cases involving freedmen to the U.S. District Court of Kentucky. In instances where freedmen lacked resources to pursue their cases in Federal court, the Bureau provided transportation for witnesses and other forms of assistance. Despite the Bureau's efforts to safeguard rights and secure justice for freedmen in Kentucky, admitting the testimony of blacks against whites still remained an issue in 1869 when Bureau Assistant Commissioners and their subordinates were withdrawn from the states. However, in January 1872, with a change in public opinion and pressure from the courts, the Kentucky State Legislature amended state law and allowed blacks to testify.

When Gen. John Ely began his duties as chief superintendent for Kentucky under Gen. Fisk's supervision, there were 30 freedmen schools and more than 2,000 students. The schools were organized and maintained by black churches, with black clergy as instructors. Freedmen schools faced widespread violence and white opposition, and in many cases, teachers and students were forced to abandon efforts to maintain school buildings. Ely and his subordinate assisted freedmen in reopening schools that had been forced to close.² Under Maj. Gen. Jeff C. Davis, who replaced Ely in the summer of 1866, the number of freedmen schools increased to 54, with some 67 teachers and more than 3,200 students. Excluding the schools established at Lexington and Covington under the auspices of the Cincinnati Branch of the Western Freedmen's Aid Society and the Cincinnati Branch of the American Missionary Association, the freedmen schools were taught by black teachers who were supported by subscriptions from parents and black religious institutions. The Bureau, however, rented the building for the school at Lexington. Under Brig. Gen. Sidney Burbank, who succeeded Davis in March 1867, the number of freedmen schools increased to 96, accommodating about 5,000 students aged 6-18. By

September 1868, in spite of continued violence and opposition, the Bureau had provided support for 135 day schools and 1 night school, serving more than 6,000 students.³

On February 14, 1866, the Kentucky State Legislature passed an act legalizing marriages freedmen had entered into during slavery and authorizing black ministers to solemnize such marriages. Nearly 2 weeks later, on February 26, 1866, Assistant Commissioner Fisk issued Circular Number 5, in accordance with the Kentucky law, directing those freedmen who sought to solemnize a marriage to the county clerk for a marriage license. If the county clerk refused to issue a license, Bureau officials in the subdistricts were authorized to solemnize marriages and issue marriage certificates. Local Bureau officers were required to maintain a register of freedmen marriages and forward a report of such marriages to the Assistant Commissioner at the end of each month. Subordinate Bureau officers were also told to notify persons living as man and wife who had not legalized their marriage, to report to the Bureau to take the necessary steps to do so. Persons who failed to comply were guilty of a misdemeanor and were to be punished by a fine and imprisonment.⁴ This microfilm publication reproduces marriage licenses, certificates, and registers of marriages for the Kentucky subdistricts at Augusta, Bowling Green, Columbus, Cynthiana, Owensboro, Paducah, Mt. Sterling, and Winchester. A single freedmen marriage license and a marriage certificate from Kentucky, filed in the Bureau's headquarters records, has been reproduced on roll 1 of National Archives Microfilm Publication M1875, *Marriage Records of the Office of the Commissioner, Washington Headquarters of the Bureau of Refugees, Freedmen, and Abandoned Lands, 1861-1869*.

In addition to assisting freedmen in solemnizing slave marriages and efforts to sustain the black family, the Bureau helped discharged soldiers, sailors, marines, and their heirs in claims for back pay, bounty payments, and pensions. In accordance with a law passed by Congress on March 29, 1867 (15 Stat. 26), making the Bureau the sole agent for payment of claims relating to black veterans, Bureau disbursing officers assisted freedmen in the preparation and settlement of military claims. In November 1866, in spite of the difficulties in locating veterans who fled the state for fear of violence, Assistant Commissioner Davis reported that he had forwarded more than 260 black soldiers' claims for back pay and bounty payments to Commissioner Howard's office in Washington, DC. In the following year, Assistant Commissioner Burbank reported that his office had assisted nearly 500 veterans with military claims, and in the fall of 1868, for the year ending October 10, 1868, that more than 1,100 received bounty payments through his office.⁵

RECORDS DESCRIPTION

These records consist of volumes and unbound records. The volumes reproduced in this microfilm publication were originally arranged by type of record and thereunder by volume number. No numbers were assigned to series consisting of single volumes. Years later, all volumes were arbitrarily assigned numbers by the Adjutant General's Office (AGO) of the War Department after the records came into its custody. In this microfilm publication, AGO numbers are shown in parentheses to aid in identifying the volumes. The National Archives assigned the volume numbers that are not in parentheses. In some volumes, particularly in indexes and alphabetical headings of registers, there are blank numbered pages that have not been filmed.

The volumes consist of letters and endorsements sent and received, press copies of letters sent, registers of letters received, letters and orders received, registers of freedmen court cases, special orders and circulars issued, registers of claimants, registers of complaints, marriage certificates, and monthly reports forwarded to the Assistant Commissioner. The unbound documents consist of letters and orders received, unregistered letters and narrative reports received, special orders and circulars issued, and general orders and circulars received. The unbound records also contain monthly reports; labor contracts; marriage certificates, and records relating to claims.

Some of the volumes contain more than one type of record, reflecting a common recording practice of clerks and staff officers of that period. On roll 93, for example, the volume of contracts for the Columbus field office also contains a register of marriages. Some other examples of additional series within volumes can be found in records on rolls 106, 123, and 133. Researchers should read carefully the records descriptions and arrangements in the Table of Contents to make full use of these documents.

RELATED RECORDS

In the same record group, RG 105, and related to records of the Bureau's field offices for Kentucky, are those of the Bureau headquarters in Washington, DC, and previously microfilmed records of the Assistant Commissioner and the superintendent of education for Tennessee. These record series are available in the following National Archives microfilm publications:

Records in other National Archives record groups supplement those of the Assistant Commissioner. In Records of United States Army Continental Commands, 1821-1920, RG 393, are records of the military district that included Kentucky. Records relating to employment and welfare of freedmen and abandoned property before the establishment of the Bureau are among Records of Civil War Special Agencies of the Treasury Department, RG 366. The records of the Freedman's Savings and Trust Company, 1865-1874, in Records of the Office of the Comptroller of the Currency, RG 101, contain information relating to former slaves who maintained accounts with bank branches in Kentucky.

Registers of Letters Received

The twelve volumes of registers of letters received are dated March 1866–April 1872 (1–12). Entries in the first nine registers, March 1866–February 1870, are arranged alphabetically by initial letter of the surname of the correspondent and thereunder chronologically. However, each register does not contain all alphabetical divisions. For example, the “As” are in volumes (1), (3), and (9) only, and the “Gs” are in volumes (1), (2), (3), (6), and (9) only. The volume listings below show the initial letters of surnames included in each volume. The entries within each alphabetical division are numbered with a separate numerical sequence for each year, but don’t always span the time period listed below.

The last three registers, January 1870–April 1872, are arranged by time period. The entries in volumes 10 and 11 are arranged alphabetically by initial letter of the surname of the correspondent and thereunder in chronological order and numbered. The entries in volume 12, July 1871–April 1872, are arranged in chronological order and numbered with a separate numerical sequence for each year. The name index to volume 12 is volume (13) above. The letters received relating to the registers, March 1866–February 1872, are listed below.

You have a man named
Hatt Bell in arrest and confinement
here for shooting and killing a negro
man in Daviess County last summer.

I desire his transfer to the
Civil Court and, respectfully request-
ing the transfer, I urge these
reasons:

1. Bell was not in the Army
or Navy of the U.S. when the
killing was done; nor in any
manner connected with the
service.

2. The offense is one against
Criminal Law of the State &
the State demands the Custody

Having just moved to this place parties interested have called upon me to drop you a line relating to the custody of a certain man (Bell) whom you have there. I can say nothing further than that the man will undoubtedly be tried & that the object of his friends is to have him tried in good faith but I am satisfied they saved his chances of acquittal and better in a civil trial. The thing was done not against a Military honor, not in a war, nor was it an outrage of the military Code as far as I can see & I should think in the long run he must be brought before the Courts in default of provision in the Military Courts, particularly since the Supreme Federal Court has gone so far to disable Military Courts. If he is brought subject to my authority & is guilty of a crime he will certainly have to face the Law as fully & fully as any one charged ^{with} homicide ever did.

Respectfully forwarded, this school has been previously threatened and each time the aggressors act more bold than before. The Policeman - (Cave No 17) instead of protecting peaceful citizens and aiding educational interests, prefers to find his duty in exciting the ill feelings of the vicinity against this Uf. school. Keeping the teachers in constant alarm.

I recommend that said officer be dismissed the police for his conduct & ask for an increase of the guard at this place so that I may give this school the protection it requires.

 Rt Brig Genl O. M. Fenderson,
 Subject.

It is my duty to report that my school has been disturbed several times by white men and boys. Last Friday I left several women and girls to clean the house. they were molested by boys who were throwing stones and mud. and at last broke into the building and went up stairs and drove the women home. threatening to kill them. One boy who was left to help the women move the seats was obliged to jump from the Chamber window to escape. This morning these same boys came again and said they were going to come and break up the school. I sent immediately for a policeman. and Mr. Cave, No. 17 came. I should judge from his appearance that he was a little intoxicated. for he sat with his hat on and spit tobacco juice all over the floor. and was very disrespectful to me and the other teachers. He said it was the fault of the Colored children; that he

had received a great many complaints from the white people living near the school building and that if he heard any more he intended to bring force enough to arrest the whole school, whites and Colored. I told him I would see that my school did not trouble anyone and if we were molested, by whites that Genl Frederick would send a guard to protect teachers and pupils he said he would arrest the guard too and would have Genl Frederick and me to understand that Civil Authority prevailed here at present. I found that I could not expect any protection from him, and find it will be necessary for me to apply to you for protection, and I know well it will be granted.

(Signed) F. L. Town,
 Bot. Maj. & Asst. Surg. &c.

James R. Crosby Hosp. Steward Asst. being duly sworn says; that he has been on duty as Chief Steward at Genl. Hosp. for R. A. Louisville Ky. since August 3rd 1866; that he has had general supervision of the Hosp. and of the Medical and Hosp. Property for which Col. Maj. F. L. Town Asst. Surg. U.S.A. is responsible that the Blankets, Counterpanes, Pillows, Pillow-Cases, Sheets, Drawers, Gowns, Shirts & Slippers have been issued to the Patients in Hospital for their use while in the Hospital that he has taken Inventories of the Articles so issued but invariably found the number of Articles returned by Patients less than the number issued, this in excess of what would be caused by the natural wear and tear of the articles being in daily use and that it is his opinion that many of the Blankets, Counterpanes linen and Cotton Pillow-Cases, linen and Cotton Sheets, have been surreptitiously appropriated and used by Colored Female Patients in Hospital to make clothing for themselves and their children there having been heretofore no provision made for clothing such women and children many of whom were in a very destitute condition, he is led to this opinion by having repeatedly caught Patients in so applying such articles of Hosp. Property, he has also repeatedly discovered Patients in the act of leaving the Hosp. with such articles secreted about their persons. It is also his opinion that at different times

(over)

Patients have been in collusion with parties (unknown), living outside the Hospital Premises and that they (the Patients) have at night passed Blankets, Pillows Counterpanes and other articles of Hospital Property through the fence (or over it) to such parties, this he knows to have been the case from having received information in several instances though such information was received too late to prevent the theft and from repeatedly finding the fences tampered with and broken. The Drawers, Gowns, Shirts, and Slippers have been issued to and worn by Patients and in many cases carried away by them leaving the Hospital secretly and not awaiting a proper discharge it having been the practice to search thoroughly all Patients discharged from Hospital, many of the Shirts and Drawers have also been lost by Patients having soiled or otherwise damaged them, and to avoid discovery having thrown them into the Hospital sinks instances of this having come to the knowledge of Hospital Steward Crosby.

The (5) five Caps reported missing he has no knowledge of whatever never having seen them since he has been on duty at the Hospital.

He furthermore testifies that in his opinion Col. Maj. F. L. Town Asst. Surg. U.S.A.

has taken all the precaution in his power to protect the property above enumerated and for which he is responsible that he has caused the strictest surveillance to be exercised over Patients and Property and that he is convinced that the loss has not occurred through any neglect on his part. he further gives it as his belief that the guards on duty at the Hospital have often been inefficient and neglectful in the discharge of their duty allowing persons of disreputable character to pass in and out of the Hospital gates during the night in direct violation of orders.

These causes combined have in his opinion occasioned the loss of the property above enumerated.

Miss Mary Collom Nurse of Genl Hosp. for R. A. being duly sworn says at numerous times both day and night has known the Colored Patients of this Hosp. attempting to take Sheets, Pillow-Cases, Blankets, and sundry Clothing belonging to this Hospital out under their clothes and in bundles, has also known the Patients to have cut up and made under clothing for the children out of Sheets and Pillow Cases, belonging to this Hospital

There being no further witness before it the Board from the testimony adduced and from annexed Statement of the extent of the deficiency of Hospital Clothing &c after careful deliberation are of the opinion that the aforesaid Hospital Property has been stolen at various times and are satisfied that they were taken by colored inmates of the Hospital and that Col. Maj. F. L. Town U.S. Army asst. Surg. should not be held responsible for such deficiency and that he and his assistant used due care to protect said property.

There being no further business the Board adjourned. (sine die)

Recd A. L. O. by March 1-1867.

Hodgenmill Larue Co. Ky. Feb. 27th 1867.

Post. Brig. Genl. Ely.

Sir In compliance with your request I beg leave to make the following report, taken from the Assessors report: There were, Nine hundred & twenty Slaves & Freedmen in Larue Co. in the year 1865. of which four hundred & fifty five (455) ^{were} under fifteen years of age, but think it probable that there may be a small reduction ~~from~~ that number by Emigration to the City of Louisville & to Indiana since they were liberated. The number of Children who would probably attend a school in our Town if one was established would I think be about thirty, mostly females the boys generally have to work to support their mothers & the small girls, as their fathers in many instances have abandoned their families since they became free, owing to which fact they would have to be furnished with ^{most} of the means to build a suitable school house & procure a teacher. I have for the last twelve months ^{been} urging the freedmen, to endeavour to get up a school, but they plead their poverty, Our Legislature last winter passed a law which says that the Common School Trustees may establish common schools in each school district, but the law not making it obligatory upon them to do so, they have ^{not} done it.

I have this day written to Genl. Frederick, wishing him to advise me what course to pursue in reference to some returned Col. Soldiers who have abandoned the wives & children since they became free, and suggested to him unless some step ^{taken to put stop to it} was ~~put~~, we should have a good many mothers & children to support. & perhaps the matter comes more particularly under your jurisdiction, I therefore take the liberty of requesting you to advise what action to take (if any) to put a stop to ^{their} marrying other women, as an instance of this kind occurred in our town on yesterday, which case I gave Genl. Frederick in my letter of this date.

Yours very respectfully I. H. Thomas

St. Louis, Mo. Feb. 21st 1862.
 Louisville 11 March 1862.

Respectfully forwarded to Gen.
 General Sidney Burbank. Asst. Secy.
 for A. asking authority to refuse
 within request as it is believed
 these proceedings are desired in

a spirit of malignity to injure
 a former Officer of the Bureau.

The Records of this Office show
 only the result of this case, viz:
 Col. Wm. J. Thompson acting as
 Capt. for Jefferson Co. Ky. on the

15th Feby. 62. gave judgment against
 John Martz and Wm. Hipswell.

Solicitors, for 65 \$ and costs
 for imprisoning without proper
 cause Dennis Bell and Mary Moore.
 (over.)

Martz was also mulcted 10 \$
 for contempt of Court by profan-
 ity and contemptuous language
 the costs and damages in both
 cases being paid. They were then
 ordered to enter into bonds to keep
 the Peace, the Capt. agreeing at
 the request of the Chief of Police

to accept their own bonds, upon
 refusing which they were commit-
 ted to the Military Prison, and
 confined for about 3 hours until
 released by Order of Gen. Palmer
 Comd'g Dist. Ky. These Police-

men were doubtless adjudged
 by Col. Thompson by their own
 State Laws for white people,
 but exhibiting that old spirit
 of disloyalty to the Acts of
 (over.)

their Government in its attempt
 to crush Treason, and provide
 for the new conditions of the
 Freedmen, thinking their oppor-
 tunity arrived, have prosecuted
 Col. Thompson, each laying
 damages against him for his
 judgment & 20,000 \$. And in
 of perseverance Col. Thompson
 has succeeded in the transfer
 of his case to the U. S. Court,
 and now these Policemen have
 the audacity to apply for a
 copy of these proceedings.

Jennie Bell and Mary Moore two colored girls on a Sunday afternoon were returning to their homes in the City from a visit to a friend (colored) living on the Portland Avenue. They were on Roman Street and in passing a crowd of 4 or 5 men among whom was Marty (a policeman) Jennie Bell brushed against one of them and he turned round and cursed her and called her a Damned black bitch = She answered him she was no more of a bitch than he was = Some words passed and Marty said to her go along and attend to your business you Damned bitch or I will put you in the watch house. She replied she was no more a Damned bitch than he = Marty then took her to the jail from which she was released by the interposition of J. H. Price and she was told that if she was wanted at the Police Court next morning she would be notified = She was not notified and about noon next day came to the Bureau and made complaint as above - a letter was written to Chief of Police Sullivan for Marty to appear next day at the Bureau = I do not now recollect how it was arranged but the hearing was to come off ~~Thursday~~ Wednesday morning = Tuesday after the adjournment of the Police Court and when there was no chance for a hearing that day, ^{Marty} Carter Hipwell and ~~as~~ rearrests Jennie Bell and for the first time arrests Mary Moore and put them in jail and brought them out early Wednesday morning and had them fined \$10- each and held to heavy bonds to keep the peace = They were being hurried to the Work house in default of now compliance when the authorities were informed not to be too hasty

in their action and that it might better meet the ends of Justice that the two girls and the two Policemen be brought before the Supt of the Bureau = The men accordingly brought and upon the facts as stated and they were not controverted a fine of Ten dollars was entered in favor of Jennie Bell and a fine of Fifty dollars in favor of Mary Moore and also a fine of 10⁰⁰ against Marty for vulgar language and contempt of Court = Marty even undertook to Bully the Court =

The fine and the costs were paid by the friends of ~~the two~~ Marty and Hipwell and they refusing to give bail for their good behavior and to keep the peace in recognizance without security they were ordered to the Military Prison late in the afternoon in fact it was near sun down and were released about 9 o'clock by Genl. Palmer

The law gives no authority to arrest in such cases unless the offence is committed in the presence of the policeman or upon information filed, and they were not justifiable under any circumstances for re-arresting Jennie Bell =

The arresting of Mary Moore is without a parallel she had done nothing and no charge had ~~been~~ been made against her = She was arrested to put her out of the way so as to prevent her giving testimony and to gratify the Malice of the policeman

Maj R W Roberts

Sir I write to you all I know in relation to the trouble you were looking after so tidily. Peter who once belonged to me, made an arrangement with Mr R Vance to rent land and build a cabin. He moved the logs of an old house, and put them in piles about on the ground preparatory to building. In a few nights then after one of the piles containing 12 or 15 logs were burned, whether it was the work of malice or the act of careless hunters or some one lost, and cold is a matter of course I know nothing about I would most charitably hope the latter might be the truth in the case or they might have as easily burned all

These logs were old and dry. It does strike me that would most likely have been the course of malice, and not have stopped short of completing the work. The weather has been so very disagreeable, I have not seen Peter since I helped him put up his house. I know not why his suspicions point in a certain direction. I have raised Peter, and tried to raise him right, in the main he has been a faithful servant.

I sincerely regret this whole affair, and hope that it may be amicably adjusted.

Yours Very Respectfully
Billy Smith

Sir

I have the honor to report investigation held in compliance with Special Orders from your Office dated 25th March 1867 upon the character and loyalty of

J. T. Jaycocks Acting Medical Cadet U.S. Hospital for R. & F. Louisville, Ky

L. D. Stansbury " " " " " "

M. W. Roberts " " " " " "

Thos. Fields " " " " " "

J. T. Jaycocks as is proven in affidavits appended marked 1st & 2nd served as Captain from Tennessee in the Rebel Army, during the entire term of the war. I am unable to ascertain that he has ever taken the oath of allegiance to the U. S. It is evident that he is desirous of securing the benefits of the extensive practice of the Hospital, which I learn is considered an excellent School for Students, without the slightest reference to his antecedents or future prospects towards the Government. I am unable to find even in his own social circle any proof that since his employ in the Hospital, he has ever spoken in favor of his Government or against the Rebellion.

L. D. Stansbury as is fully proven in affidavits attached marked 3 served for (3) three years and (4) four Months in the Rebel Army as a Private Soldier, says he has taken the Loyalty Oath but considers it in the light of a necessary evil and not binding upon his conscience, in other words he is a man devoid of honor. His wife & child are also Rationed at the Hospital on his account, on the strength of his ration.

Messrs. Roberts & Fields never served in either Army and have not taken the oath required of Bureau Employees, they have all been serving in their present capacity for several months. In my opinion Messrs. Paycocke, Stansbury, Roberts & Fields are clearly to be considered as in the employ of the Government under the Bureau Act. app'd 3^d March 1865 and continued in force by Amendatory Act. app'd 16th July 1866 for they are all receiving Rations each (1) per day, necessary quarters and performing Government Service.

The Bureau act establishes an Oath of Office to be subscribed & sworn to by all in its employ, which has not been complied with nor can it be by Messrs. Paycocke & Stansbury as they both fought to destroy the Union of these States and to perpetuate that accursed institution for which happily the Bureau is now established, the scars of which - aided by them - will ever disfigure our history.

I am Very Respectfully
Yours &c. &c. &c.

Prof Breyer John Ely:

Chief Sup^t R.R. Felt. Ky.

Sir:

In obedience to Departmental circular to S.C.S. office
Comd R.R. Felt, I have the honor to submit the following reporting:-

There are but two colored schools in operation in
my sub-district, the teachers of which promptly report to me
at the end of each month. These schools are at Lebanon
Ky and Springfield Ky., and are partly supported by the R.R.
Felt.

In inspection of these schools however we find
them as well kept as possible under circumstances. The
teachers are attentive, diligent, & the scholars appear to ad-
vance with a rapidity hardly to be expected. Scholars are
generally in the elementary branches, ^{and} appear to him
to obtain an education. Colored parents are fully
aware of its importance. During the spring months
a number of the colored children who should go to

school are compelled to labor.

Schools could & should be opened at Campbellville & Greenburg. The latter place could receive not at least fifty scholars to a school & twenty scholars could attend at Campbellville. The want of colored teachers is the great obstacle in the way. If they could be furnished schools could be obtained. A part of the expense would have to be borne by the Bureau at both the places above mentioned.

Adult freedmen appear anxious to obtain at least the rudiments of an education, but have no plan by which to obtain it & I have suggested the formation of night-schools. The fact that they are compelled to labor hard all day to support their families renders them at least partly unfit to give attention at night to books. They can attend Sabbath schools and do their duty therein.

Respectfully

Acknowledges Receipt of letter, regrets that Hill asks for position as Agent, knows that Hill was Union so long as Union controlled, that Hill was in the 2 last Rebel conventions and nominated Proctor for Congress that parties who had signed Hill's petition being aware that he (Richards) had applied requested Hill to withdraw, was told Hill will present his petition to Genl. Major Roberts

your kind letter was duly
received, I regret very much that Hill,
is asking for the position, It is certainly
treating me badly. I no the Gentleman
well and will give him all the credit
due him, he was a Union Man as long
as we could control in this County, but
as soon as the Rebs got in to power here
you find him on the other side, at least
I say this much, he was in the two last
Rebel Conventions, the one at Frankfort
on the 23^d of February, and the other at
Seaboard that nominated Doctor ^{for Congress} Not,
he is also one of ^{the} men that branched for Rebels
this you saw if you recollect while in E Town
, he has been getting up a Petition in E Town
for some days and no doubt he will make
quite a show, he went to Ser Thomas your agent
in Lorne, who signed it, but as soon as he found
I had applied for it he went to Hill and told

him he ought not to send it in, Mr. Nelson
 Told him the same thing, Also the man who
 drew up his Petition, The references I sent up
 is composed of the best men in the County, and
 can if wanted ~~send~~ send up five hundred
 names, & will bring with me some more good
 names, and also some men, I will be up in time
 I feel quite an interest in the matter now
 and hope Gen. Freckinck will ^{be} truly consider
 my claim to the position, I complied with
 all he required of me.

P. S. While writing I am told Hill
 will go to Gen. Eli with his Petition
 I did not na he had anything to do with it
 from what you said he can not have, and speak
 of it only so as to keep you posted

Mr. Elliott of Dover one of its best
 citizens told me he would write you and
 Thomason in regard to the matter and will
 be at your office between now & Gen. Freckinck's
 return.

Major please do what you
 can for me.

Respectfully John Richards

Permit me to say that I have been a resident of this Hardin County upwards of 40 years a good of the time in public business in Elizabethtown and believe that I know the public sentiment of the County as well as perhaps any man in the County. I have also known John Richards long and well and do not hesitate to say that his appointment as Bureau ^{agent} for this County would be a judicious one - that he is competent and discerning and that his appointment would give as much satisfaction to the people as that of any other person in the County. I trust his petition will be favorably received. As regards myself I refer you to Hon. W. P. Thompson Nelson Thompson Esq Dr E. J. You will confer a great favor upon me by securing the appointment of Agent for the F.B. at this place for Capt. John Richards. It is unnecessary for me to attempt to tell you anything as regards his qualifications for that position because you already know him perhaps better than I do. but I do know this. He is a good Union Man, has served his Country during the war faithfully and honestly.

Mr. Long has already sent forward papers to secure the appointment of Henry Graves (Whom you know was all through the war a strong Rebel.) Of course he being a brother-in-law must have the appointment, but not

You know that Capt. Richards has

Men Sundry, Smothers and Yowell were
 tried in our Circuit Court yesterday for the
 crime for which I arrested the first two
 and Sapp some months ago. Sapp was
 witness in the case and testified to the par-
 ties having broken in windows, tore down
 chimneys & pulled planks off several
 negro houses. The prosecution was conducted
 same. The jury found the accused guilty
 of "breach of the peace" and fined each one
 \$7 !!! - twenty dollars for disturbing four or
 six families, - breaking up houses, and leaving
 everything inside the houses to pieces! -

I respectfully suggest that you urge
 the trial of Sapp before the Federal Court
 - in which I believe he is indicted!

Apropos: A rebel soldier was tried yesterday for deliberately shooting at a "D-n Yankee" - an officer of U.S. Rev. Dept. He only shot five times without any excuse whatever - men at the officers back! For this he was fined \$25! Five (40) Dollars per shot! -

Four Dollars penalty for firing from a negro house, and five more for shooting at a Yankee (!) of fire!

Judge Lynch is on the "Rampage". St. King guards on jail every night. The Judge was in town Tuesday night last, but was afraid to attack the jail.

Very Truly,

General D. J. Webb.
 Fort Det. Marion &
 Lebanon Ky. July 1st 1867.

General:

I have the honor to submit the following report of affairs in my out-district:-

In Washington County a negro-man was shot and badly wounded by vigilantes on the first of June. Anonymous men reported facts to me - no complaint filed - hence no investigation was made.

In Taylor County a negro-man was whipped - facts reported by third party - by vigilantes. No complaint filed.

In Marion County the school at Lebanon was interrupted by Mrs. Phillips & John Phillips. John Phillips was arrested, admonished & turned loose.

Several white persons refused to give children up to parents - three. These children were taken for parents.

Undoubtedly a great many outrages have not come to my hearing & Freedmen living in the country and distant from Lebanon, are afraid to report outrages to me. They prefer to suffer

Known evils, to those unknown.

I desire to call your attention to the state of affairs in this part of the state. Prof. Lynch has an organization here - in Marion, Washington, Boyle, Casey & Taylor counties, absolutely superseding civil courts. Anti-Lynch organizations are now being formed - composed of men most respectable characters. Unless these organizations are broken up, we must expect a reign of terror - in fact already have it. Civil officers neither can nor will defend from lawlessness.

The schools in my sub-district are in a poor condition, two of them will continue through the summer without a recess.

Very Respy.

 General:-

On the 13th inst. it is charged, that a
 witness named and finally took from her witness
 a colored girl aged about 15, whom he violently
 assaulted. It is reported that he stripped the girl
 naked & beat her most unmercifully. The witness
 is a citizen of considerable wealth & influence &
 is supposed to be Irish descent. I have heard
 his name & that King will arrest him to-
 day. If he is guilty I will send him
 to prison to-morrow - that is if we find
 him. Here is what I report these facts for:-
 It is probable that he will get a writ
 of Habeas Corpus from our courts. If he
 does shall Sheriff King release him?
 It is not now submitting him to civil courts

He cannot be convicted on negro evidence & will only be provisionally found if convicted on white evidence.

If a writ of Habeas Corpus is issued I will notify you by telegraph. Be certain of me though: I will not hold him unless the evidence justifies me. If I do not hold him a writ will not be issued.

I will send a full copy of the evidence as soon as taken.

I write this to you that you may act knowingly upon the receipt of any dispatch from me.

 General:

I have the honor to transmit herewith evidence in the case of W. V. A. M. A. & Preston Withrow, consisting of the affidavits of Rose Ann McElroy & Jesse Embree. The affidavit of Mr. Embree is roughly taken & is sent only to show what manner of evidence is against the parties & I may state that upon the examination before me both of the accused confess that much of charge against them is true. —

Both of these men are men of wealth and position - have been consistent rebels - and one of them is thoroughly respected of Genl. Hays Lynch himself - viz. A. M. A. Withrow.

If these men are released on bail I could respectfully urge that they give heavy bond to keep the peace - else colored persons near them will suffer.

I may say that there was very considerable excitement here yesterday evening over this case. Threats were made to release the prisoners & but for the presence of a goodly number of soldiers these threats would have been executed &

Very Respectfully

I confess that I am non-plussed

 -ceeds all imagination! I thought when
 Withers was sent to Louisville that I
 should not be troubled with criminal cases
 again soon. I thought that a good example
 in good society ought to be made & had
 been made and that such an example would
 have a beneficial influence. But alas! the
 frailty of man & his, the white-man's hatred
 of the negro compels him never to cease con-
 structing this unperfected penalitied race!

Last night the negro school here gave
 an exhibition and out, by the by, quite credi-
 ble to them. As the people left for their
 homes, or as they were on their way home

It is charged that they were assaulted by three or four of the gallant young gentlemen ~~are~~ in our city. Our woman is said to have been severely handled - to have been struck by a pistol, and injured. An investigation will be had this morning.

What can be done - shall be done with this wicked and perverse generation? What shall be done with these hellbreds and amiable young "bucks"?

I must insist that a heavy example be made of some of these fellows. Let broken or some one else be furnished to the extent of the law, and may be we will have a cessation of hostilities.

Of course I cannot say how much of truth there is in these charges against our valiant young men. It is certain that they have more than a curiosity of truth for a foundation.

 Sir

I have the honor to report that in obedience to your Order I made tour of inspection ~~in~~ through the County of Union I left Caryville on the 23 June and proceeded to Morganfield then to the Chapel then to Uniontown then back to Caryville I found that the people and the local officers have the greatest antipathy to the Freedmen's Bureau and the civil rights bill and all concerned with it and persuade the blacks to have nothing to do with them that they only want to make money out of them and will keep all the money that the Gov. may pay them and they will not get any. at the same time tell them that the Gov. don't intend to pay them any thing.

I find 2 cases of cruelty to blacks, one by cutting without any provocation on by beating also a Blk girl 16 years old badly treated by her former owner. No school at Morganfield but at Uniontown but some children's parents not able to send and some won't go. The school at Caryville has stopped for want of a teacher.

Susan Brown was first carried to the tree, and was hung by the neck three times - she lay there until she was insensible. After she came to her senses she was lead into a field near by where two men did cowardly throw her against her will and consent and by force. One of these men she recognizes as William Cheatham! Silas Brown was then lead to the elm tree and was hung by the neck, by the parties who hung him three times and was totally insensible when cut down the last time. After this both Silas & Susan were severely whipped and ordered to leave the County.

Affiants state that there were twelve or fifteen men in the party that hung them, and that they recognized of them men William Cheatham, Robert Hine, James Montgomery, Mark Hardin, & that we know all of these men intimately.

Wt. Maj. Gen. John Ely:

Very Respectfully R. F. Shands
 General:

I regret to report that the squad which
 Lieut. King sent to Millisburg to effect the ar-
 rest of Cheatham, Pine, Hardin & Montgomery were
 unsuccessful.

The expedition was planned in secrecy - not
 even the soldiers knowing its exact point they
 were going until after they left Lebanon. They
 left Lebanon about 2 o'clock at night and reached
 Millisburg shortly after breakfast time. They found
 that notice had been given the accused of their
 approach immediately before their arrival, so
 that the accused left their homes not more
 than twenty minutes before their arrival
 at Millisburg. Of course the soldiers were un-
 able to find their ~~men~~ ^{men}.

In this connection I desire to call
 your attention to the impossibility of affecting
 the arm of parties in a populous and
 rough country with soldiers either foot or
 mounted on wagons. I have now affidavits
 before me against eight white men charged
 with committing rape, assault & battery. Not
 one of these can be arrested with safety
 soldiers I fear.

I am, General,
 Your obt. servt.

I have the honor to ask that an appropriation be made of Five (5) Dollars per Month from 1st September 1867. for the purpose of erecting a suitable building in which to establish a new school for the children of Freedmen in Harrodsburg.

There are already Two (2) schools at that place with an aggregate attendance of One hundred and twenty five scholars, at a Monthly Rental of Thirty (30) Dollars.

Notwithstanding this I consider it necessary in view of the location of the different schools, and number of teachers engaged to further encourage the Freedmen.

I would respectfully recommend this additional outlay as calculated to assist materially the cause of education in that Quarter.

A competent teacher is ready to commence his work.

Since I saw
 you, I have been creditably informed
 that the main object of the visit to
 this town, of Sanders and his party ^(on yesterday last)
 was to assassinate my son Capt John
 Landrum and myself, as they
 believed that they would be dealt
 with by a Military Court, and
 that we would be looked to as
 suitable persons to arrange and
 get up testimony against them
 I was told also that they had
 suspicions, that I was the author
 of an article published in the
 Lexington Statesman some two
 weeks since ^{upon the assassination of Maj Briagwater} and consequently I
 was in danger.

Now if you are the proper person

for me app^{ly} for military
protection consider this letter
as my application. From
what I saw on Saturday last
I am convinced that they have
designs against me as they
were pointing me out to each
other whenever they saw me
passing the street which I did
frequently in a cunning careful
manner in order to satisfy my
own mind in relation to it.

I suppose that it would cost
the Government no more to sustain
a company at this point than
at any other. This is very near
the center of Kentucky and we
have a large preponderance of Rebels
in this part of the state.

Major Genl O O Howard

General I have the honor to request that my salary be increased to One Hundred & Fifty (\$150) dollars per month. This district consists of seven (7) large & populous Counties, containing not less than Fifteen thousand (15,000) Freedmen. Since the discharge of three (3) of the County Agents in this district, the business of this Office has greatly increased and my whole time is required in the discharge of my official duties. Since the election of August 5th Outrages are of now frequent occurrence than ever and the state of public feeling is such as to render my position one of peculiar delicacy and responsibility. In addition to these

fact. I would state that the salary which I am at present receiving is not sufficient to support my family. Enclosed herewith I have the honor to forward a letter from the Hon Sam McKee M.C., recommending the increase etc. etc.

I have inspected the prem-
ises in Staunton, and am satisfied
of the truth of Agent. Sandrom's
statement. The people of
Staunton are opposed to a Colored
school's being established there, and
will not rent any building for that
purpose, in consequence of which 150
negro children are rapidly growing
up in ignorance. The building
heretofore spoken of, located at the
Depot, and as the Agent says
in the possession of the Road,
is in well well suitable for
school purposes, has been used
as a White school, is distant from
other buildings, and unoccupied.

I have the honor to report that I have used every effort in my power to procure a School-house for the tuition of the children of Freedmen, and have not been able to succeed.

There is a House near the Rail Road Depot in this town heretofore used as a school but is now unoccupied. It is claimed by the school Trustees but Mr Gambol told me that the ground on which it stands with its appertinances is deeded to the Rail Road Company.

I offered to rent it of each of the claimants, and have failed.

General:

I have the honor to submit herewith the following report, viz:-

(continued)

During the month of August outrages perpetrated upon colored persons have been numerous and violent. Two negro men were hanged to death near Maxwells Washington Co. Ky., charged with having aided in burning the farm of Mr. Phelps. The names of these men I do not now know. Silas Brown and wife were also hanged near Wellisburg Washington Co. Ky. - not until dead but until very much injured. They were also badly whipped, and rape was committed upon the wife. - It is not known who hung the men to death, but it is suspected that the same party committed the murder that hung Brown and wife. The latter two charged Robert Stine, Wm. Cheatham, James Montgomery, and Mark Hardin white citizens of Washington Co. with having committed the outrages upon them. An attempt was made to arrest these men but failed. As evidence in this case I

enclose a letter from Col. W. H. Rags, / incondition-
ally and Radically Royal, and D. J. Kitchell &
Further efforts will be made to affect
the arrest of these men - I am not
positive that these outrages were not per-
petrated about the last of July last.

Mrs. Robyns wife, near Bridge-
ville Marion Co Ky, was visited by a party
of Republicans on the 18th of August and
rapes committed on the wife. The husband
was shot at. No arrests have yet been
made, but the case is undergoing a rigid
examination. The husband & wife claim to
have recognized several persons in the
party who visited them.

considered good

I am called on daily to adjust
claims between white and colored persons. A
vote from me generally settles all disputed
points. I may say in this connection that
there will be an effort by many persons
during the fall and winter months to
deprive hired servants of their wages and
of their part of crops &c. I anticipate much
trouble from this source. The Republicans are
& will be called in frequently to defend to
drive freedom off and thus deprive them
of the legitimate fruits of their labor. Of course
I shall attempt to prevent every thing of this kind.

There have been a greater number of
 outrages perpetrated upon colored men during
 August than during any other month this
 year, and there is a bitter feeling against
 them among a certain class than I
 have ever before noticed. But for
 the presence of soldiers in Central Kentucky
 and the presence of the Freedman's Bureau
 the negro would have few of his rights
 respected.

In this connection I respectfully call
 your attention to the reports concerning the
 state of our country which I herewith for-
 ward.

Schools are in poor condition. I am
 satisfied that if teachers can be obtained
 school at Campbellsville & Greensburg will be
 started immediately under most auspicious
 circumstances.

General

In relation to the case of Jerry Flowers, I have the honor to report (as follows). - Mr. Bergman R. Flowers came to my office, and reports that the greater portion of the enclosed affidavit of Jerry is not true - viz. - Re. Flowers, "never owned, hired nor kept either Jerry, Glaston, Lucinda, America, or Catherine - and that they have never lived on his place" - Jerry & Catherine, were sold to Jos. Verward. (a slave trader of Cumberland Co. in 1861, by their owner - and left here at the same time, and were sent to New Orleans La. - Glaston, went to Louisville during the war. Lucinda has 4 children is in delicate health and is living with Rhodin Payne Creelbore. America was also sold to a slave trader, in 1859. That the following did once belong to him the said Flowers. viz. Fanny - Amanda - General Scott -

Lewis Preston - Elizabeth - and Doctor Williams
and are living as follows. Fanny - with Mr. Flowers
America & Lewis Preston, with L. Q. R. Peewy of Creels-
-town - since Nov. 1 - 1864 - (formally with Mr. Flowers)
Elizabeth with Dr. Saml. Field of Columbia since the
Spring of 1864, formally with Mr. Flowers and Genl.
Scott & Doctor Williams - with Mr. Flowers -

Their ages are as follows. Fanny -
Fanny Flowers wife, aged about 53 years. Flowers
Clifton son, " " 28 - " Scribe
Lucinda daughter " " 25 - " Reuben Taylor
America " " " - " Fanny
Catherine " " " - " Spill
Annamy Jane " " " 15 - " Flowers
General Scott son, " " 12 - " Flowers
Lewis Preston " " " 10 - " Fanny
Elizabeth daughter " " 8 - " Dr. Saml. Field
Doctor Williams son, " " 6 - " Mr. & Mrs.

Pray the above you will please notice that the
children that have been living with Mr. Flowers, have
been comparatively of but little service to him. His
family consists of but himself & son and Mr. Flowers
states that "Fanny has only done his housework".
Also the one at Dr. Fields Elizabeth was but about
4 years old when she went there and now is worth

but little except to "tend children" - In relation to the two children with Mrs. Roseum I have respectfully to enclose his letter on the subject. Mr. Flowers further stated when at my office that Lucinda with her poor health and 4 small children was an expense to Rhinai Payne and that he was not paying her anything. He further denied ever having disallowed Fanny or any of the children from going to Gerry - but that they have not desired to do so until the present time, and also that they are very destitute and not able to pay their expenses to Louisville. - but he has made a proposition to send them eleven in all, to Louisville by with what little they possess if that be satisfactory. This expense to be defrayed by himself. Mrs. Roseum & Mrs. Payne -

I will execute any orders you may be pleased to give me in the case

This day appeared before me
Wesley Robinson, a man of color, who
being sworn states that on Sunday night
August 18th 1867 at an early hour, a number
of men came to his house, which is in
Warren County - Ky, asked admittance and
upon being refused, broke the door down,
coming in the house they seized affiant by
the collar, dragged him out of bed, and
forced him to leave his house; they led
him then out of his door into his garden
and pushed him several times with their
pistols. One man of the party left
the party and went back into the
house. After this man came to where
the party had affiant, affiant was
released. Affiant was private Co. B 100th
W. Infy. Co. and is a farmer. Affiant
states that he recognized the following named
persons as being along in the crowd who
came to his house, viz: James H. Tucker,
Rich Dunn, W^m Scott, W^m Hunter, Thos. Smith,

But Wilcox, & Frank Beard. Affiant has lived
near all these men better than eighteen
months and knows them all well.

Also affiant Lizzie Robinson, who being
sworn, states that she is the wife of Wesley
Robinson above named; that she was with him
on the night named in his affidavit and
knows the facts stated therein up to the
time the party led him away from the
house to be true; she says that after this
party carried her husband away one of the
party came into the house and found
her in bed; that this man with drawn
pistol and threats forced her to know him
carnally; & that she refused to submit to him
until forced to do so. She states that the
moon was shining very brightly & that she
had ample opportunity to see and recog-
nize the party who committed rape upon
her & those who came into the house
she recognized Mr. Brown, Wm. H. Hinkle, James H. Hinkle

And that said Tucker at no time rides out either professionally or otherwise at night even though called out and that he uniformly stays at home at night and has not been out at any time since I have been boarding at his house except when he made a visit with his wife to his father in Law in Washington County, about six miles beyond Springfield, except in day time. Bureau R. F. & A. H.
 Sub Dist Union Co
 Lebanon Ky. Sept 25th 1867.

Rev. Brig. Gen. John Ely:
 Chf Supt R. F. & A. H. Ky.

General:

I have the honor to submit the following
 report of the condition of Freedmen's affairs, and my
 actions, during the month of September 1867, of:-
 Schools.

* Last week I visited different parts of Union
 and Casey Counties for the purpose of establishing
 schools for Freedmen. I found those whom I saw
 exceedingly anxious to educate their children, and
 willing to do all in their power to establish
 schools. All of them, however, agreed that there would
 be danger in establishing schools in small towns
 or the country - danger of malicious interference
 by white citizens. I believe with them that in-
 terference in the country must be expected.
 But this danger must be met whenever schools
 are opened, and it had better be met now.
 One difficulty attending the establishment of schools
 is the difficulty of getting houses. The white
 owners of land refuse to sell lots whenever to build
 school houses for colored persons, and these colored

persons who own land are afraid to do it +
 An instance showing the disposition of our
 people I heard of last week. A colored man
 the owner of about 400 acres of land in
 Green Co. proposed to assist in building a church
 near him. The land was bought from a white
 man, the colored owner of lands being afraid to
 devote his ^{land} to this purpose, & it was specified
 in the deed conveying this land that no
 colored school should be taught in the church!
 I have hopes however of starting three
 schools in Marion County next week, and
 one in Casey County + schools will also
 be opened at Campbellsville + Greensburg +
 The schools at Lebanon + Springfield are
 in a flourishing condition. In this connection
 I want to say that I am perfectly satisfied
 that but for the presence of Missions at Lebanon
 no school could be opened in any sub-district
 with safety to its teacher or its patrons + -

Contracts.

From appearances now there will be a number
 of cases before us this fall for breach of
 contract + last winter quite a number of
 unprincipled white men hired negroes and
 prevailed upon them not to have written con-
 tracts. The fruit of this is now becoming apparent.

The laborer is being driven off in no better condition than he was one year ago when he commenced the performance of this contract. A case has come to me yet wherein it is charged that a negro hired for the year has failed to fulfill his contract. I have never yet drawn up a contract that was broken by either party. I anticipate much trouble in adjusting contract cases. The fact that the civil courts will not correct abuses, doubles the troubles of my labor.

Outrags.

Numerous petty circumstances have come to my knowledge both directly & indirectly, most of which I have omitted.

General Remarks.

There is no greater effort on the part of our civil courts to smother the evils attending the constant effort of a certain class of white men to oppress upon negroes now than there was in 1865. The prejudice against them now is as great as it was then, and the effort to do them justice is as small as ever. I am perfectly satisfied that there is but one ample protection for them - that is the ballot. Do away with the Freedmen Bureau in Kentucky now and every white man, with many honorable exceptions, will constitute himself a committee of one to persecute the freedmen & keep

Bureau R. F. and A. L.,

Head Quarters First District, Lexington Sub District, Ky.

Danville, Va. Oct 1867.

Brown, A. Benson, 1st Lieut. 43d U. S. Infantry, Sub Assistant Com'r.

Reports that he took Martha
 Wesley col. child from Jos. Faulkner
 pursuant to order of Gen O. O. Howard
 of 5. Aug. 1864. giving a ruling in
 such class of cases. that her
 mother claimed her, and that
 her claims had been wholly dis-
 regarded in every other court.
 that Faulkner is a notorious
 Rebel, that St. Brown over set-
 tled the cases against the Freed
 woman and in Faulkner's favor
 that he (Brown) reported Faulkner
 as a Rebel by Letters dated 14. Sep.
 14. Oct. 1864. in which letters
 he was endeavoring to rectify
 St. Brown's mistaken action
 in reporting him, and many
 other Rebels as loyal.

Bureau R. S. and A. S.
 St. As. S. D. Sec Det. D. S. Ky.
 Danville. 22^d Oct. 1864.

Col. B. P. Rumbold. West.
 Chief Capt. Sta of Ky.
 Colonel:

I am in compliance with the endorsement dated 18th Oct. 1864. from the Det. Com of Ky. on Letter of Col. Faulkner, (or Falconer) of date 15. Oct. 1864. I have the honor to submit the following report of my action in his case. I will first answer the endorsement, and then detail the case in full. as it is one of considerable importance.

1. Is Dolly Proctor col of bad character?
2. Is Col. Faulkner a proper person to have her child?
3. By what court, and in what manner was she bound?
4. If by consent of child's natural guardians?

To which I reply as follows:

1. Dolly Proctor col, the grandmother of Martha Wesley col. (the child I restore) is a woman of excellent character, and steady habits, as was fully proven before me at the time I settled Mr Faulkner's case. See enclosed original recommendations.

Yours.

Rev. S. Mc Knight who recommended her so highly is the First Presbyterian Pastor of Danville, and Mr. Charles S. Farnum a highly respectable tradesman, and loyal man.

As I considered these recommendations entirely sufficient to establish her character, I at once opened negotiations with Mr Faulkner, which have since proved to him so unsatisfactory.

2. In my opinion Mr Faulkner is not the proper person to have charge of the child, because her mother whose right can not be disputed in this Bureau claimed her.

Joseph Faulkner is a notorious Rebel, and always has been, as I have been informed by all the loyal men of Danville of whom I have inquired. You will find him so reported by me.

No. 23. Col. Falconer. Bogles

in my Letters to you of the 11th Sep. and 14th Oct. 61, in which Letters I was endeavoring to rectify Lieut.

W. R. Brown's egregious error, or perjured fault, in having reported him, with a No of other Rebels of this loc. as loyal.

Falconer called to see me after I had taken the child from him, and spoke in so disloyal a manner that I was compelled to

inform him of my ideas of propriety in a Government Office. I presented clearly before him the fact that the Mother had a prior right to her child, and that no necessity existed for binding the child to him, that his motive was only selfish, and that the Laws of Congress would not permit the rights of Blacks infringed, his eyes fairly glistened with suppressed rage, but fortunately for himself he did suppress it. I took the child from him because he had subjugated her, against her Mother's will.

3. She was bound by the Boyle Co. Court while her Grandmother her natural guardian was in Court protesting against it. Her binding was illegal because Mr. Saw makes it optional with the contracting party to teach the child to read, write, and cipher or, a certain sum of money upon Freedom, while this Bureau admits of no option, declaring that the child shall be taught to read, write, and cipher and a sum of money at Freedom.

4. Again, it was highly improper to thus take advantage of Polly Proctor to bind her child away from her, when she came into Court in a different cause

and protested in the last moment against forging anew
upon her child the chain of a second slavery.

I look upon the Act of that Judge as a dis-
-grace to his profession, and to civil liberty. For he
totally ignored the fact that there was no necessity
of the State to be guarded by the Act.

I now quote from my September Report to
Capt. R. B. Johnston, at Lexington

" I have forcibly restored two ¹² children to their
" nearest relatives, taking them from those who held them
" without a shadow of right. Col. Falconer, (white),
" one of the injured (so-called) told me plainly he
" would injure me by the medium of the civil author-
" ity, and I quite politely informed him in return that
" he must excuse me if I was equally caused, —
" The result of War upon the Soldier — that
" I expected exasperation at my action, and was not
" only prepared to meet it in that case, but in
" every case in which I found good grounds for inter-
" -ference " dated 25th Sep. 1864.

Mr. Falconer forgot himself so far as to
threaten me in my own Office. I however compelled

him to decline his paper War, Habeas corpus etc, as I told him he would place me under peculiar obligations to him to see out his Will, immediately.

I will now quote from the Office Records under Lt. W. R. Bourne's administration

" 2. July 66. Dolly Proctor col. states that Jas. Falconer has her grand child, whose parents are both dead, and which she now requires.

" 3d. July 1866. Mr. Falconer appeared and convinced me that the child was better cared for at his house, than would be the case if returned to Dolly Proctor." x

I enquire how cared for better, he does not relieve my mind by any further information as to how he satisfied himself on this vital point, bearing upon the opening future of the child, it is enough to say he did so, (in his opinion).

I deem it one of the most delicate duties of the Bureau Officer to fully satisfy himself, and be able to show why he was satisfied, in making such important decisions. It proved that he entirely ignored the Mother's paramount right to her child.

She came to me with tears in her eyes, almost in despair. She told me she had spent time and money, and could do nothing more unless I would assist her in her mission of love.

She had paid Ten Dollars for a "Habeas Corpus" before the Bogaloo Co. Court, and when the child was produced in Court it was made to answer where it would prefer living. Mr. Faulkner had no doubt prepared for this, and instructed her to answer as she did, - she answered "with Mr. Faulkner", she was incapable of judging, and under such Court procedure the case was a foregone conclusion.

What a mockery of Justice ???

If children are to be asked such questions in open courts, but few children will ever reach the arms of the parents who bore them.

Knowing the case fully I at once complied with the requirements of this Bureau in such cases, provided by Genl Howard's Enforcement, dated 1st August 1866, on behalf of Harrison Lewis et al Woodford Co. Court, in binding his child without his consent. Cases referred for Commissioner's decision by St. Geo. Dubf. Thos. Capt. R. G. Johnston.

" It is perfectly evident that the child referred to
 " has a parent living and as long as this Bureau
 " shall have any jurisdiction, no child will be
 " permitted to be apprenticed without consent of its
 " parents, or proper guardian "

The Judge informed Mr. Sanderson that the child could be bound to him, — just the thing he wanted, which was immediately done in Ky. style, (as before related) while the child's natural guardian was before them all protesting against it.

I will venture to assert that the child's interests or future was thought but little of, in the powerful presence of Mr. Falconer's superior interests, because the interests of a white man. What a spectacle!!!

If I rightly appreciate the design of apprenticeship, it is to secure permanent homes for paupers, or those likely to become so, to avoid present or future expense to the State. I would like to have a candid answer from that Judge, if he would imagine such treatment toward his own flesh and blood would have been just. I think he would cry louder against it, than outraged fugitives now implore.

I am satisfied by my consideration that she is abundantly able to rear her child, that it will be no expense to the State so far as I can now see, consequently that the child should be rendered as wholly hers.

Folly Proctor made complaint to me 5. Sep. 1844.

I restored her child 5. Sep. 1844.

When Mr. Faulkner visited me afterwards I kindly told him there were many destitute children who would only be too glad to go to his home, but that I could not tolerate the surrendering of the maternal tie, where no more necessity existed for it than in this case.

He asked me if I should treat all cases alike, as many more such existed. I replied "your case has not been made an exception to the rule."

In this case no necessity for the Judges dictation existed, the allowance was not only unnatural but entirely unnecessary.

She will now be guarded in mature years under a Mother's watchful eye, and new pleasures excited in her breast by the blessings of freedom, which the tie of apprenticeship would have denied her for 20 yrs.

Her mother's soul is filled with joy that the Bureau has at last accomplished so much for her, and her consolations will live with her latest breath.

Respectfully submitting this Report, for your con-
-sideration

Col.:

I have the honor to submit the following report of the condition of affairs in my sub-dist. during the month of October 1867.

Civil Rights.

The decision of the Justice, presiding in the United States Circuit Court at Louisville that the "Civil Rights Bill" is constitutional has materially affected the rights of colored men and for their advantage. The fact that a prominent citizen has been punished in the District Court for the maltreatment of a colored girl has compelled that class of citizens who have hitherto disregarded the rights of colored persons to feel that there is a tribunal that will punish them. However I do not find that our civil officers pay any more attention to outrages committed upon negroes now than they did twelve months ago. My observation teaches me

that our justices and our juries are always extremely anxious to inflict summary and heavy punishment upon negro wil-does, and equally as anxious to excuse white men for taking the execution of law into their own hands where negroes are concerned.

I have been frequently called upon by colored persons to prevent white men from swindling them in the division of crops for this year. So far I have had but little difficulty in making amicable settlements. The proximity of soldiers, never used in such cases, undoubtedly influences a certain class of men - the lower class - to give justice in these cases.

Remarks on my "General Report" for Octbr show the outrages coming to my knowledge during that month.

Marriage Certificates.

I have the honor to call your attention to the necessity of compelling colored persons to obey the state law relative to procuring "marriage certificates." Unless they do this much difficulty will be experienced in almost every affair attending the future emulsion of colored

people. If they ever become property holders, which they undoubtedly will, the settlement of their estates will be attended with innumerable difficulties and much litigation. Besides the procurement of these certificates would prevent much infidelity amongst these people. In addition this, having their marriages thus made legitimate would enable them to enter the courts for divorces and for protection.

I have not examined the Statute carefully but my impression now is, that all colored persons, not legally married, who live together as man & wife, are liable to prosecution for adultery ^{or} fornication. Let an example be made of a few and this important matter will be attended to by all. I have frequently urged this matter upon colored people and am satisfied that coercion must be used on many.

Schools.

During October schools were in active operation in Campbellville, Taylor Co. Lebanon, Macon County, Greensburg, Greene County, Springfield Washington County and Middleburg Casco County. Two additional schools will be opened in Macon

County in Armonk & Adair County is not in my sub-district, but I am requested to procure a teacher for a school to be opened at Casper's Creek in that County & I have no hesitation in saying that I could find positions for five or six good teachers immediately.

We had much difficulty in procuring a house here for a school in October because of the obstinacy of trustees in demanding that from the Bureau for themselves. My experience here leads me to believe that but for the exertions of the Agent of the Bureau the school would have been closed by this time, and that when the Bureau gives up the control of the school it will close because of these trustees. I respectfully suggest therefore that some action should be had whereby a house can be had for several years for the benefit of the whole people. The trustees of the Baptist Church called on me the other day and informed me that they had partly finished their church; that they are now unable to finish it, and that they are willing to have it finished as a

School ^{house} and used exclusively as such, until the colored people here become able to build one - they reserve the right then to have the church returned to them, - then advancing as much money as it will require to finish the house now for the benefit of the school house. They also ask the privilege of holding their church meetings in the house. - The house is about 40 feet long, by 30 wide, and would have to be plastered and suitable benches put in it.

I recommend that, if it is possible, either a new house be built, or the proposition of these trustees accepted. The large number of colored children at this point, their being about 334 under sixteen and over six, in the corporation, make such a step commendable.

I am
Yours offh

 My Dear B R F Quoth.

Dear Sir:-

I transmit herewith a memorandum
 of school schools and recommend herewith that
 checks be transmitted as per memorandum.
 In these cases I recommend that checks be
 transmitted direct for teachers. This will
 save me much trouble.

If you would pay all the
 teachers in Union County to one man
 and let him distribute it would be
 well.

I recommend once that the two
 additional schools in Union County have
 checks sent them through Gabriel Guts.
 I wish to say that recommendation would
 have checks sent direct to teachers names.

Respectfully,

Sir:

I have the honor to submit the
 following report, viz for the month of November
 1867:-

Contracts

I have visited several points in Marion County
 and have spoken to colored people in Springfield
 at all times urging colored people in making
 preparation for next years work, to make
 contracts only with responsible men, and
 to always enter into properly attested written
 contracts. If this is done there will be
 much less trouble in settling accounts next
 year & I have made it public that it is

my duty to trans up contracts for of contr
Outraps.

I have reported each case of outrage
as they occurred during the month +
I arrested one Smith, but released him
after an informal hearing of the case.
A U.S. Com. has been appointed here, who
will take cognizance of all cases hereafter +

Schools.

are progressing finely + I have visited
several of the schools in my sub-district and
will visit the others soon. Two additional
schools will be opened in Green County
in this month +

Claims.

The question of bounty claims now is enabling
colored men to have land + personal estate.
This they are doing +

Sir:

Some time ago I had the honor of calling your attention to a Freedman's school in Adair County at Cassey's Creek & under your advice the school at that point was opened there about the 1st of November & has been taught by one Pleasant Kniffley up to the present time & as the location was out of my sub-district, I did not report the school on my School-report & to-day one of the colored trustees of the school called on me to procure pay for Kniffley & informed me that they had not heard from Insp. Leland. What must be done? The school was taught as directed by me & shall I report it?

The same trustee tells me that

Two other schools will be taught in the same part of the country as soon as new houses can be erected &

In case you determine that I should report the school, I would respectfully recommend an allowance of \$15. per month for rent, commencing with November 1864, payable to D. H. Howard.

I have had to report the fact to Ho. 21 several times that we have, in our city, a number of young men whose aim it appears to be, to injure and misuse colored persons as much as possible. They have had a particular spite at a carpenter kept by a colored man and have broken into & gutted his establishment several times & unfortunately they could not be recognized.

On the night of the 9th inst a number of these chivalric young men as full of bad whiskey as of maliciousness, went to this carpenter and broke in the door. The noise awoke the keeper of the house, who slept in it, and he

opened on the party with his army musket
scattering them in every direction. They rallied,
however and made a second charge on the house,

"When Greek meets Greek then comes the tug of
war!"

The defender of the building met their charge with
a well directed fire from a Colt's revolver, - a some-
thing unheard of before in a peaceable negro -
put the attacking party to flight, and followed
up his success by running them off of the
stairs! The shop or Confectionery as it was
defended by Edmund Tucker late of the 8th U.S.
Cavalry. The attacking party number 4 or 5 or
more. No one killed although it is firmly
believed that one of the brave young men was
wounded. No arrests have been made. The
U.S. Comd. is investigating the matter.

of the colored people of Smithland vicinity to
General Burbank, and General Ely of the Freed
mans Bureau at Louisville Ky.

We most humbly pray you to hear this our
humble petition and to grant our request. We here
state that we know Mr Littlefield and that we have
nothing against him personally, or as a man, but
we have no confidence in him as an officer ^{of}
the Freedmans Bureau. He has never helped us
any to our knowledge, and we believe from the
general character and standing of the man that
he will do us more harm than good. We do there
fore pray you to remove him from the Bureau
office here, and appoint some gentleman who would
help us in our church and school, and give us
such assistance as we may need. Most of the peo-
ple here would be glad to keep us in ignorance
and slavery. We need help all the time. We
also desire to state that we have all confidence
in Mr J. Bond Thompson of this place who
was the Bureau Agent last year, and who
helped us build a church beside starting our
school. We were sorry that he was removed from
office, and would be very glad and thankful
to the Generals to have him replaced; and
we believe he would immediately start another
school for us. But if we cannot get Mr Thompson
in the office again we would be glad of any
good man who would afford us some assistance.

Proceedings of a meeting of the colored people of Smithland Ky. and vicinity held April 16th 1867.

According to notice a meeting of the colored people of Smithland and vicinity was held on Tuesday evening. The meeting was called to order by Rev. Henry Green who occupied the chair. The chairman said the object of the meeting was to look after the interest of the people of his own color in several particulars.

One great object was a freedman school, and what means of support could be obtained for the proposed school. He also notified the people that Mr. Thompson who started the school in this town last year, ~~and~~ was removed from the office of the Freedmen's Bureau in this place in February, and since that time there has been no school here for the colored people. He said he thought the colored people of this place ought to get up a petition to the Generals at Louisville to try to get Mr.

Lillefield removed from the office here, and if possible get some man appointed who would look after our interests, who would be always sober and clever, and who would give us some assistance.

The chairman then presented the following petition, which was received and approved by a unanimous rising vote of all present. The chairman then asked several of the oldest and best colored men of the town to sign the petition which was done. He stated that the Generals might hear and answer their petition, and if so it would result in much good.

over -

but if their humble petition could not be heard
it would at least be no harm to try. It was re-
solved by the entire meeting to send up the pe-
tition together with a copy of the proceedings.

Respectfully returned to Brig
 Genl John Ely, U.S. Chaf
 Surgeon with the remark
 that the general testimony of
 all classes of people who reside
 at Smithland is that Mr
Littlefield is by far the most
 competent and faithful Bureau
 Officer of the two. Mr Thompson
 was found to be a very unquali-
 fied person for the position of
 Agent. He was not attentive
 to the interests of the Bureau or
 to the wants of the Freed people.
 Mr Littlefield will I am
 convinced do all in his power
 for all colored people who apply
 to him for aid or advice. He
 bears a good moral charac-
 ter. In my opinion the

within petition was gotten
 up through the instrumen-
 tality of Dr Bond Thompson
 himself.

Esq^r John C. Esq^r Esq^r Esq^r with
information, that the child of a foundling
was placed with Lavina Garretts &
an agreement made that the County
Court would pay her the sum
of (25) twenty five dollars per annum
for the taking care of said foundling
and through the neglect and want of
proper attention to the child, and
to keep it from dying, I had it
taken from her and placed in
the keeping of Patsy Williams who
has the child at the present time
and claims to raise it as her own.
Lavina Garretts was well paid for
taking care of the child, and if
justice had been done her she should
not have received anything.

In regard to the women
that were placed at her house
she was paid in Rations &
Money and full
over.

The child Vina was only placed with her but for a short time with a view of sending her to the Hospital at Lounelle St. The child being with Lavinia Garrett so short a time I did not deem it necessary to make out vouchers for so small an amount, but would have done so when the child was taken away from her.

It was impossible for me to procure any other place for the child, and placed in Lavinia assuring her that she should be paid for the keeping of it.

St. St. Coyle states that he did not curse her, also John J. Evans states that he did not abuse her, Lavinia.

Lavinia Garrett did not return the child to the office of the Bureau, but brought it to my private residence in my absence and left it, using insulting language at the time. I then told the child returned to her with instructions that she should keep it, until I could procure another place for it.

Sir:-

I have the honor to call your attention to the following ~~acts~~ ^{acts} of ill treatment which I have suffered at the hands of Col. H. C. Howard Commander of this district and Capt Jno' Evans. First they put an infant on me a year ago and promised to pay me five dollars a month for nursing it. I kept it four months and a half, and recieved only ten dollars, which leaves them \$12.50 cents in debt to me.

They next placed two sick women on me and agreed to give me \$3.00 per week each; each of them remained with me one week thus according to promise ^{thus} I was entitled to six dollars;

When I applied for my money, Capt W. W. Boyle cursed and abused me said I'd d'n it go to work. The Bureau can't keep you up, after all Col' Howard sent me two pieces of meat worth \$4.00 leaving two dollars due. Next they brought a little girl and quartered her on me three weeks ago, and said she was not to stay but one week and for that week they would pay me \$3.00, but she has been here three weeks they have given me no pay, and when I returned her ~~to the~~ Bureau, they forced her upon me again at the point of the bayonet.

I asked Capt Evans in the presence of witnesses if the Bureau did not receive money to pay for the keeping of such persons and he declared that the Bureau recieved no such funds. I am poor, and I have an infirm and aged husband and I am

scarcely able to maintain myself but make out
to do so by economy and industry.

Capt Evans cursed me this day upon the
open street like a dog, and told me he
had nothing to do with the pay and
did not care a damn for it and
if I did not take the child he would
arrest me.

I remain sir
